

ready-to-build aluminum railing

Environmentally Responsible

We are proud to use recycled aluminum in our products. Aluminum is the most commonly recycled metal in the world. Our powder coating process is environmentally friendly and virtually pollution-free.

Proudly made in America

Ultra Aluminum™ railing has always been manufactured and assembled in the USA; one of a select few aluminum railing manufacturers who can make that claim.

A safer, low-maintenance lifestyle now comes in a kit.

Manufactured By Ultra Aluminum Mfg., Inc.  **ULTRA**[®]

ULTRAMAX[®]
ALUMINUM RAILING SYSTEMS

CCRR Code Approved #0223

Ultra Max® Railing is the perfect addition to your porches, decks or walkways.

Our easy-to-build railing kits provide safety and high quality at a more reasonable price.

Why Ultra Aluminum™?

Ultra Finishes

Our exclusive Powercoat™ finish is twice the hardness and thickness of a typical baked enamel finish. Meets AAMA 2604-5 standards for the ultimate in durability and UV protection.

Ultra Screws and Welds

Ultra Max® railing is the only assembly that uses 1/4" stainless screws. Ultra welds and fastens all our posts, and our commercial posts surpass 1,200 lbs of pull.

Ultra Materials

Ultra Aluminum™ delivers superior product design for stronger structural integrity in aluminum railing and gates.

Our high-strength Ultrum™ Alloy is strong, but will never rust.

Why Ultra Max®?

It's Simple.

Our Install-Guide Template precisely guides you to simply screw brackets into place and drop your railing into the brackets.

It's Strong.

Our Ultrum™ 2X-TRUSION 6005-T5 alloy tests at a minimum 1,000 lbs. load on an 8' section.

It's Versatile.

A variety of customization options are available—with Deck-Over-Rail and Mix & Match hand rail and baluster color options for a highly personalized design.

Two-Piece Cover for Welded Flange

Ultra Max® Stair Kits

Our newly designed Stair-Hinge Connectors allow you to specify stair railing without the cost and confusion of custom construction.

Three Rail

Ultra Max® offers an elegant handrail profile and classic baluster configurations.

Ultra Max® Aluminum Railing products are guaranteed for life against defects in workmanship and/or materials. The exclusive Powercoat™ finish on all fencing and railing by Ultra Aluminum™ is guaranteed for life against cracking, peeling or chipping. Visit our website for more information and a copy of the warranty.

Ultra Max® is available in 4 textured colors that can be mixed and matched.

All colors are applied with our exclusive Powercoat™ finish to resist harsh weather and heat.

Colors shown represent an approximate comparison and may vary slightly from actual product color.
